

CSRQ Moving Forward Workshop

A Guide for Implementing Comprehensive School Reform & Improvement Strategies

- Flexible time required for workshop
- Share strategies with colleagues
- Train-the-trainer model
- **FREE materials and content**

Welcome to the Comprehensive School Reform Quality (CSRQ) Center's Moving Forward Workshop! This workshop will guide you through an effective step-by-step process for implementing school reform and improvement strategies. You will also receive a comprehensive guide and participate in interactive activities. The goal of this workshop is to provide you with information, strategies, and resources to inform and prepare you to train others to effectively implement comprehensive school reform.

Target Audience

- State education agency personnel who provide training and professional development to LEA personnel
- Representatives of State TA systems who work directly with LEAs.
- School improvement and LEA personnel who make decisions and recommendations regarding school improvement strategies.

Workshop Objectives

- Learn about a model for selecting and implementing school improvement and reform strategies
- Obtain current materials regarding school improvement strategies
- Serve as a forum for information exchange and relationship building.
